DISCLAIMER

Please read this manual before use. Failure to follow the instructions for proper setup, use, and care for your device can result in damage to the device or personal property injury, death, or property damage. The manufacturer assumes no responsibility for any property damages resulting from its separate model usage without its manual.

RECOMMENDED SETUP

We recommend the exclusive use of Aspire original charger, battery, components, and accessories indicated on the product page and leaflet. Use of chargers, batteries, components, and/or accessories not specifically produced for this device may lead to malfunction and/or damage to the product and void the cancellation of the warranty.

HANDLING AND SAFE USAGE

To reduce the risk of fire, shock, or damage to your vape device keep the product and its accessories away from overheat or excessively humid conditions (32°C / 90°F). Your device can be damaged if dropped, burned, punctured, crushed, or if it comes in contact with liquid. If you suspect damage to the device or its battery, discontinue carrying your device, as it may cause overheating or burn. To avoid misting/smell ensure you're holding coil to switch off your device when it's not in use, especially when carrying your device in your pocket, bag, or purse. In the case of burn or abnormal deformation of one of the components of the device or its accessories, stop using it immediately and contact Customer Care.

COIL MAINTENANCE SAFETY

In order not to damage the coil or burn the cotton do not inhale an empty puff. Let the tank/pod stay for 3 minutes after filling so the cotton can be saturated with e-liquid before use.

REPLACABLE BATTERIES SAFETY

Do not cut open, rechargeable batteries. Do not damage batteries or batteries with a torn or damaged wrapper. Disconnect the battery from the charger when fully charged. Do not put your vape device while charging.

PRODUCT DISPOSAL SAFETY

Dispose safely in product inventory in the environment, and only dispose of the product component at dedicated collection/disposal points.

HEALTH WARNING SAFETY

Do not use the product if you are pregnant, breastfeeding, generally ill, or suffer from respiratory and/or cardiovascular system disorders.

If you experience any side effects associated with using the product, if the effect(s) continue after you stop using consult a healthcare professional immediately.

Package Contents:

- 1 Fluffii device
- 1 Fluffii Pod 1.5ml (1.6G) (pre-filled)
- 1 Fluffii Pod 1.5ml (1.6G)
- 1 Type-C Cable
- 1 User Manual

Components View:

Specifications:

- Size: 130*30*20 mm
- Pod Capacity: 1.5 ml
- E-liquid Filling Size: front fill
- Coil: Not replaceable 1.6G / 1.0Ω meshed coil
- Battery Capacity: 1000mAh
- Activation: A Mode - Auto draw
- B Mode - Manual draw
- Airflow: Manual draw
- Weight Range: 1~20W
- Screen: 0.97" OLED screen
- Charging Port: Type-C
- Max Charge Current: 2A
